

# HASHIT

**Run No: 1672**

**Hare: The Committee**

**Where: William Farrer Hotel**

**When: 17 September 2007**

An extra large group of hashers turned up at the William Farrer for the Committee run. Our illustrious GM Nowra set the run and had us all zigging and zagging all over the place. For once the walkers were able to keep up with the runners for most of the trail due to the large amount of checks and false trails.

Back at the pub a very hearty meal was had by all. Rinty got yet another down down for being such a celebrity and getting his mug in the paper, and DHOTW went to Library for slipping up on trail.
